

The Principals and members of
KINGSLEY CHAPTER Number 2431
extend a cordial
INVITATION

to the members of all Chapters meeting in Northampton.

On Friday, 15th April 2011,
starting at **6pm,**
the Kingsley Chapter, at their Regular Convocation,
at St. George's Hall, St. George's Avenue, Northampton, NN2 6JA
will be hosting a Performance
by the Northants. & Hunts. Demonstration Group
of their new Period Dress Presentation:
"HOW and WHY the Royal Arch"

The play will be followed by a talk entitled
'HOW and WHY the Royal Arch: The Journey'

This is undoubtedly the definitive presentation for all Companions (new & experienced) to see the origins of the Royal Arch as recreated in dramatic form and has already been received with considerable acclaim.

The play has been performed at Great Queen Street for an Installed Masters' Lodge and several bookings have been made by other Provinces.

Its fame is spreading !

"As Freemasons, we have long speculated that the origins of the Craft have been lost in the mists of time. But what of the Royal Arch?

In the event, the beginnings of our Order were much better documented, certainly from the mid 18th Century onwards. And in a rare moment of reflection some 2/3 years ago, it occurred to me that not too many of our Companions, certainly the younger members, would really be aware of the frustrations and the traumas encountered by the early exponents of the Royal Arch in its early formative years from the mid-1750s onwards. Without any prior collusion, but so conveniently, E Companions Bill Purcell and Barry Weigleb had also given this topic some serious thought for the Provincial Demonstration Team and by the time we had exchanged our views and aspirations, they were already well into their own researches.

'How and Why the Royal Arch' is the culmination of their ideas and foresight; an entertaining and educational journey into the origins of the Holy Royal Arch which I can commend to both Royal Arch and Craft Masons alike" The Grand Superintendent of Northants & Hunts, Excellent Companion Wayne Williams.

The Provincial Grand Master, RWBro Barrie Hall, said "This presentation proved a most enjoyable and enlightening insight into the origins and development of the Royal Arch within Pure Ancient Masonry. My congratulations to EComps Bill Purcell and Barry Weigleb on a well researched and expertly written playlet, and to the members of the Provincial Demonstration Team who presented with considerable panache and effect....."

Come along, make your 'daily advancement' & be thoroughly entertained !
