**2013 Bicentenary Appeal  
Royal College of Surgeons**

After the formal closure of the Appeal on 31<sup>st</sup> December last, the long awaited letter from Supreme Grand Chapter by way of appreciation and thanks has now arrived and from E Comp George Francis, the 2<sup>nd</sup> Grand Principal, who graced us with his presence at our Provincial Celebration at Sheaf Close in early September.

I therefore enclose a copy for your kind attention and after perusal, would you kindly ensure that the main thrust of the letter is read out at your next Chapter meeting so that the Companions present can be fully briefed. I will ensure that the Web-Site and our social media sites are updated.

The total sum now collected at Supreme Grand Chapter is currently standing at £2.4m (original target £1m) and on Page 2, I would ask you particularly to note the outstanding performance achieved by Chapters and Companions in this Province standing at a magnificent £65370, representing £53.14 per subscribing Companion.

You have excelled beyond any reasonable expectation and I express to you yet again my own sincere thanks for the outstanding support you have given to such a worthy cause.

With the Appeal formally closed, we now get back to the "day job" – the companionship that truly is the Holy Royal Arch and that of making good Master Masons worthy Royal Arch Companions. In this respect, I wish you well in all your endeavours.
