# From the Editor & Publisher

**A**fter most of us have had a peaceful Christmas recess, it's now full steam ahead for the second half of a very busy Masonic year.

Since our last issue, we now have a wonderful new Masonic Centre in Huntingdon whilst Lodges and individuals continue to show their caring side by charitable donations and presentations.

As we gear up to celebrate 300 years in Freemasonry, this great Province shows

no signs of taking its 'foot off the pedal' as we look forward to a visit to Grand Lodge on 25th March 2017, Peterborough Cathedral Service on 11th June 2017 and finally the Grand Ball on 21st October 2017. Full details can be found on the website. Individual Lodges or groups of Lodges may arrange their own celebration events so there's plenty for all of us to get involved with for us and our families.

This is only the second edition of the re-designed Password and there are

some wonderful items planned for future issues.

Please do consider anything that you feel may be of interest and contact your local information officer (details on page 27).

A very big thanks to everyone who submitted articles for this issue and to the people who make this publication possible.

Your hard work is greatly appreciated.

# Message From The Provincial Grand

## **I am pleased to report that our Province moves into 2016 in a very strong position.**

I am pleased to report that our Province moves into 2016 in a very strong position. Freemasonry throughout the country is reviewing its position particularly with respect to membership levels and there are various initiatives being introduced. Northamptonshire and Huntingdonshire are well ahead of the game and we are working hard to ensure that we have an Order that is fit for the 21st Century and therefore attractive to the modern man, without ever losing or diluting our traditions and principles. Our Province will continue to support the efforts of Grand Lodge to ensure that we move to the future with confidence.

One important initiative

has been the creation of what are often called 'light blue apron' clubs. We have been operating our new members club under the guidance of W Bro John Ferguson for some time now and are meeting with very satisfying results. John and W Bro Jim Boughton recently attended a seminar in London and were able to contribute to the proceedings based on our experiences.

There will shortly be the introduction of a Provincial Membership Officer and also Lodge Membership Officers whose role will be to look after new members from the initial concept of becoming a Mason through to the initiation and then, so importantly, thereafter. This Province has a first class record in the level of initiates so we must do our utmost to ensure that these new members stay with us and progress through their lodges. I will report further on this topic during the coming weeks.

Another subject that is currently, and quite correctly, occupying Grand Lodge is the matter of Masonic premises. It is often found that Masonic centres are becoming old and expensive to maintain and a reducing membership exacerbates the problem. We have, of course, faced and dealt with the problem in our Province and can point to Corby, Peterborough, Towcester and Northampton where we have modern and efficient buildings. Much work has gone on at other centres such as Rushden and I do not perceive any problems anywhere within our Province. The amazing things that have happened in Huntingdon are dealt with elsewhere in this issue, but I must just congratulate W Bro John Benson, W Bro Malcolm Firmedow and all the others who have demonstrated the vision and then applied the hard work to achieve this fantastic result. I urge you all to

# Master Winter 2015 / 2016

attend a meeting in the new centre as soon as convenient. It is well worth the effort. There will, of necessity, be a ceremony to dedicate the new building and this will happen before the end of this season.

Brethren, unlike some, we are a united Province and the Craft enjoys the support of all other Orders that operate within our boundaries. The Royal Arch is prospering under its current leadership and I am pleased to give my full support. VW Bro Wayne Williams, Grand Superintendent, and I have worked together for many years and it is good to witness the results that are forthcoming. Let

us all continue to make this Province a happy and successful unit and demonstrate to others what can be achieved with planning and effort.

I hope that you all enjoy the remainder of this season and I look forward to Provincial Grand Lodge and the Three Counties promotions meeting in May. There are to be some changes in the Provincial Executive that I have already announced. It may seem a shame to change something that is successful but Masonry is a progressive science, and it is essential that we plan progression to ensure a secure future for this wonderful organisation.

**May the Great Architect bless you all.**

Provincial Grand Master,  
RWBro Max Bayes

### W Bro Charles Bennett WM

Born in Trinidad in 1951 and moved to Venezuela, Aruba, Spain and Thailand before settling in England.

Joined the wine trade with Hedges & Butler of London in 1970 and moved to the United Arab Emirates to run Spinneys wine and spirits interests, in 1981. Bought Hanslope Wines in 1986 and retired in 2015.

Initiated into De La Pre Lodge in 1996 and became Worshipful Master in 2002. Also a member of Palmer Lodge of Provincial Grand Stewards, Lodge of Installed Masters and Three Counties Lodge.

Appointed as Deputy Provincial Grand Director of Ceremonies in 2008 and became Provincial Grand Director of Ceremonies in 2011. Exalted into St George's Chapter [Wolverton] in 2001 before joining Northampton Chapter in 2005. Married

to Adele since 1981.

Other interests include most activities that are connected with the sea (especially sailing and snorkelling) and, on land... rugby and cricket... though purely as a spectator, now!

### PGM'S Community Impact Appeal

As we approach the tercentenary of Freemasonry in 2017, we have an ideal opportunity to take Freemasonry to a wider audience & improve public image.

The Provincial Grand Master is spearheading a community impact project

that will do just that. Freemasonry is woven into the fabric of the country and part of our heritage that we are keen to preserve.

Another part of our local heritage is at Fotheringhay, just north of Oundle in East Northamptonshire. Fotheringhay Church, which has existed since Norman times, urgently needs restoration work, particularly to the decaying roof.

A registered charity, The Friends of Fotheringhay Church, has been established to raise the £700,000 needed for this work.

The Provincial Grand Master hopes Lodges and individuals will respond positively to his Fotheringhay Appeal in order that we can make a significant contribution. Donations should be sent to the Provincial Grand Charity, marked "Fotheringhay Appeal."

## Provincial Carol Service

On Sunday 13 December, Peterborough Cathedral was the setting for the Province's Annual Festival of Lessons & Carols. It was very well attended by members, their friends and families from across the Province. The Mayor of Peterborough, Cllr John Peach, was amongst the civic dignitaries in attendance which included the Deputy Lord Lieutenant for

Cambridgeshire, Richard Barnwell as well as the Deputy Lord Lieutenant for Northamptonshire, Simon Leatham.

The service itself was led by The Very Reverend Charles Taylor, Dean of Peterborough, and the lessons were read by our Provincial Grand Master, RW Bro Max Bayes as well as the Heads of Orders from within the Province including the Grand Superintendent, E Comp Wayne Williams and the Provincial Grand Master

for the Mark Degree, RW Bro George Bonham.

The Peterborough Cathedral choir was magnificent throughout the service. In his opening remarks, the Dean of Peterborough expressed his gratitude for the support that the Cathedral had received over a number of years from the Province. Afterwards, there were mince pies and glasses of wine to savor and help start the Christmas feeling for those who enjoyed the service.

### Carols On The Piazza

Waynflete Lodge No 4452 members provided mulled wine at the Town's Carols on the Piazza on Sunday 20th December 2015. Raising some £340 for the Mayor's Charity.

The Town Hall provided the backdrop for the event and is the location for Waynflete's meetings. A £2.5m refurbishment of the Town Hall is to start next year at which time the Lodge will meet and eat in the Crown Hotel located just across

the Piazza. Waynflete Lodge has met in the Town Hall since 1923. At the completion of the refurbishment, Waynflete will have a purpose built storage area for the Temple furniture, a lift is to be installed between the three floors of the building and the Temple space will be rejuvenated.

## Daventry

### Guide Dogs For The Blind

The presentation took place in the "Early Doors" Micro Pub in Sheaf Street, Daventry.

The donation being the result of a very successful year of fund raising, including a Ladies Festival and auction of promises.

It costs up to £50,000 to train a guide dog, the WM W Bro Mike Raine wanted to donate to a local charity and selected the Guide Dogs for the Blind. This particular charity seeks to raise £5000 annually so this donation was gratefully received.

W Bro Mike A Raine (IPM) of the Buckby Castle Lodge said: *"It gives me great pleasure, on behalf of the Freemasons of Buckby Castle Lodge, which is associated with the village of Long Buckby and Daventry, to present you with a cheque of £1000 to the Daventry Association of the Guide Dogs for the Blind."*

*This is just the sort of organization that we, as Freemasons, are committed to helping, important community services that provide real assistance to people with visual impairments".*

## Piscator Chapter's First Convocation

Piscator Chapter's inaugural Convocation in this Province took place on Friday 9 October at Northampton Masonic Centre. It proved to be a wonderful evening of celebration and Royal Arch companionship at its most memorable. The meeting was attended by an almost full complement of Acting Provincial Officers led, of course, by the Most Excellent Grand Superintendent, Excellent

Companion Wayne Williams.

The three Principals, E Companions, Bob Green as Z, Aaron Day as H and his father Albert as J presided over the superb Exaltation of Companion John Byles in what can only be described as a textbook ceremony. Led by E Comp Trevor Sherman as DC, the Chapter Officers are to be congratulated on their outstanding quality of ritual. Comp. Roger Blason gave the performance of his life as Principal Sojourner, much to the delight of all present. Having migrated to

Northampton from London, this Chapter, in the tradition of Piscator Lodge, already has its own style and identity. An early visit to this our newest Chapter is highly recommended, all can be assured of a very warm welcome!

## Ceremony of the Veils

On Thur 3 September 15, the Holy Royal Arch Province of Northamptonshire and Huntingdonshire was honored to extend a very warm welcome to the ME Grand Superintendent of Bristol, E Comp Alan J Vaughan, and his Demonstration Team to present a demonstration of the Ancient Ceremony of the Veils. This was very kindly hosted by our own Chapter of First Principals.

Unchanged for some 200 years, this event provided a fascinating insight to the origins of the Exaltation Ceremony practiced by us today.

This was greatly appreciated by an enthusiastic audience of around 270 Companions which included the MEGS of Warwickshire, E Comp John Saint.

E Comp Barry Goulding was awarded a Certificate by E Comp Vaughan following his participation in the ceremony as the Exalte,

his performance was almost worthy of an Oscar such was the gusto with which he played his part, word perfect as usual!

Towards the end of an excellent Festive Board, our ME Grand Superintendent, E Comp Wayne Williams, congratulated and thanked all concerned for their hard work in producing this wonderful event which clearly exceeded everyone's expectations.

Elevation by the Grand Master's Lodges of Instruction team followed by the Advancement ceremony in the Mark Degree, along with the lecture. The event is open to all Mark Master Masons and Royal Ark Mariners and will conclude with a Festival banquet in the evening.

It is anticipated that this prestigious event will be well attended by brethren of the Mark Province along with brethren from across the UK. Further details will be available in due course.

## Mark Province makes emergency donation to Cumbria Floods Appeal.

We have all seen the news

reports of the emergency services who have been working hard to manage the effects of the floods and of the families who have been evacuated from their homes, not once but twice in a week at the beginning of December. The scenes of devastated Communities and wrecked homes will mean that this Christmas time will be very hard for those affected.

The Mark Province of Cumberland and Westmorland have opened a fund for the relief of those who have been affected by the floods that followed the torrential rain in the Province.

At the Royal Ark Mariner Assembly on the 8th December the Pro Grand Master announced that the The Mark Benevolent Fund had already made a donation of £25,000.

Shortly afterwards, the Provincial Grand Master of the Mark Province of Northamptonshire & Huntingdonshire, RWBro George Bonham, approved an emergency donation of £5000 from the Province Benevolence Fund to that appeal reinforcing the MBF guideline of "he gives twice who gives promptly".
