# Message From The Provincial Grand Master

**Brethren,**

This spring edition marks a time for renewal, change and growth, not just in the countryside but across our Province. Not least within the Royal Arch. I will remember Saturday 8th February this year and the day my personal journey in Pure Ancient Masonry, commenced another phase. It was a great honour for me to not only be your Provincial Grand Master but to also be invested as it's Grand Superintendent. Richard Sandbach was the last to be a double header and of the nineteen past PGM's, including myself fifteen have held both offices, so we are returning to how we used to manage our one organisation, not as a double header, but with a head of a single organisation, with two distinctive parts.

I am extremely fond of the Royal Arch with its colourful ceremony and positive message. Having previously held the office of Provincial Third Principal I am delighted to have been given the opportunity to participate in its further development and closer integration with The Craft.

I look forward together with my executive teams in both the Royal Arch and the Craft to a programme of harmonisation and encourage all our Brethren to seek that which was lost and complete their journey through Pure Ancient Masonry.

Before however I look to far forward, it would be remiss of me not to look back and pay tribute to the tremendous work carried out by my predecessor Ex Comp Jim Boughton. Having served the Province well as an APGM, Jim could have been forgiven if he had felt he had done his bit, but when he was asked to be 2nd

Grand Principal in 2017, he gladly stepped into the role and then in 2018 into the position as Most Excellent Grand Superintendent. As a Maths Teacher, with an understanding of the platonic bodies, Jim was well qualified for the role which he made his own, steering the Royal Arch through the difficulties of Covid and the recovery that followed. With the advent of the Savage ritual, Jim saw an opportunity to make

some changes to the standard Domatic ritual, which were accepted by London and are now worked in two or three of our Chapters, quite an achievement. The province owes much to Ex Comp Jim Boughton for over 12 years of service at an executive level in either the Craft or Royal Arch. I wish Jim all the very best in his retirement from the front benches, but am sure he will still be extremely busy across many orders in this Province, but not least in the Craft and Royal Arch.

Ex Comp Neil Handley has

also played a pivotal role in the recovery of the Royal Arch following the Covid crisis and having been appointed 2nd Provincial Grand Principal in 2018, he

was promoted to Deputy Grand Superintendent in 2019, holding that post until 31st January this year and then as Deputy in Charge until the 8th of this month. Whilst holding these offices Neil also held the position of Group Officer in Peterborough and is an extremely highly regarded mason across both the Craft and Royal Arch. Having now been appointed as the Senior Group Officer in Peterborough, I have no doubt his leadership skills and deep understanding of both the Craft and Royal Arch, will continue to have a most positive impact upon our future.

Ex Comp Mike Binsted, having commenced his executive work as Assistant Scribe E under our past MEGS Wayne Williams,

Mike has been at the centre of the development and progress of the Royal Arch in this Province for many years. His skills in analysis and statistics as well as organisation and administration, were put to great effect as our Provincial Scribe E, following which his experience as 2nd Provincial Grand Principal has been a key element to the growth and development of the Royal Arch in more recent times.

Ex Comp Steve Sewerd our retiring Third Provincial Grand Principal, has served the Royal Arch Province in key positions for over ten years, initially as ADC, rising to Deputy and ultimately to Provincial Director of Ceremonies, a role he held with distinction for 5 years, following which a well-deserved promotion to 3rd Provincial Grand Principal. Steve's enthusiasm for the Royal Arch and energy have contributed greatly to its success during the past ten years, and now in his new role as a Group Officer in Corby, I am sure he will also continue to make a positive impact across both the Craft and Royal Arch.

Between the Past Deputy and Two Past Principals they have delivered over 30 years of Service to the Royal Arch, I thank them most sincerely for a job well done, they certainly have discharged their duty with honour and distinction.

So we now look to the future, with a new team, not as well versed or as yet skilled in the protocols and history of the Royal Arch, but with great energy and enthusiasm for the Royal Arch and a desire to continue to develop the Royal Arch and bring it ever closer to The Craft and I look forward to working with them as we continue the work towards one organisation and support every Master Mason to complete their individual journey in Pure Ancient Masonry.

In Craft news, I thank everyone for their support of the MAGGIE'S appeal, and we are progressing well towards our target. Having visited the Northampton MAGGIE'S for its topping out ceremony, earlier this month, I was struck by how much such a service means to the Clinical teams and how valuable such schemes are to the process of recovery and treatment and also speaking to families who have had personal experience of other MAGGIE'S sites, how grateful they are to the charity and how much these units have assisted them.

Our progress towards NEXT STEP 3000 continues to make great strides and we are tantalisingly close to reach our next step. Thank you to everyone who has continued to work so hard to attract and engage with our communities and bring Gentleman to the positive impact of Freemasonry. Our membership challenge

# Message From The Provincial Grand Master

must remain our core focus as we move forward.

We have enjoyed some special events so far this season, presenting several 50-year certificates and even a 60-year certificate to W.Bro David Waddy (see page 32). We have celebrated one of our member's, W.Bro Arnold Francklow, 100th Birthday, and still delivering excellent ritual in his Lodge, a great example to us all. Banner dedications and re dedications have kept us busy.

I am particularly excited about the consecration of a New Craft Lodge in March, The Leather on Willow Lodge No 10062 - on March 22nd, 11am at Sheaf Close and also for the first time in 25 years a New Chapter, to honour the commitment of and remember VW.Bro Wayne Williams past APGM and Past Most Excellent Grand Superintendent.

This is also a very exciting time for the whole family of Freemasonry. A thorough review of the Book of Constitutions signals a forward-looking progressive organisation, still honouring and bound to the traditions and values of the past but fit for purpose to be operating within a modern world. As part of that modernisation the advent of Portal, the UGLE personal App which will enable every member to manage their own Masonic details and provide personal information in respect of their own Lodges and Chapters, is so welcome.

The 3rd Pillar review is exploring our connection within our communities, scrutinising our fund raising methods and how we apportion and direct our charitable funds, discussing how Freemasonry interacts with the popular world and how we wish to portray ourselves to the wider society, redefining our place in our communities.

Our buildings and meeting rooms continue to develop and improve. I am particularly pleased to see the progress that has taken place at Corby and how the members have worked together giving their time and expertise, under the supervision of W.Bro Steve

Burton, to deliver a sustainable centre fit to meet the needs of Corby Masons in 2025.

I look forward to visiting as many of you in our Lodges and Chapters over the next few months and continuing to enjoy your company and see our Province continue to go from strength to strength.

The MAGGIE'S appeal is gaining momentum with the lodges giving their support and we are heading towards the £100,000 target asked by the Pro Grand Master. Since becoming the Provincial Grand Charity Steward I thought it would be really nice to present brethren with a certificate of Appreciation to brothers who have gone above and beyond in raising money for worthy causes. The first person to be awarded one was Bro Ian Lutter of the Webb Ellis Lodge who raised a fantastic £5,140. In September the MCF gave a Grant to the Northampton Young Carers in Wellingborough for a fantastic £57,235 which will give the charity a massive boost. In December I applied on behalf of the Province to the MCF for four Match Funded Grants, which we were very successful and the Little Miracles Charity in Peterborough was awarded £5,000. The Kettering Mind and the Lakelands Hospice in Corby was awarded £1,000 each and finally the Veterans Community Network in Wellingborough was awarded £2,000.

W Bro Bob Smith PAGDC Armed Forces Committee, Pat Haslam Chair of the Trustees for the VCN, Mark Davies a Beneficiary of the VCN, Sher George VCN Peer Mentor for the Northants Area and W Bro Mick Warren ProvGChStwd presenting the cheque on behalf of the MCF Match Funding.

The great part of being the Provincial Grand Charity Steward is being able to meet the brethren across the Province, especially when they want to make a lodge or personal donation with a cheque, like W Bro David Smith of Coritani Lodge 8079 who raised £250 for TLC by the generosity of eight people who live in a neighbouring village. If you would like to have donation and would like it recorded with a photograph of you presenting the donation that you could use for publicity. Then please contact me via email pgchstwd@northants-huntsmasons.org.uk or 07971778059

Wellingborough to Present a cheque for £1,500 on behalf of the Provincial Grand Charity to W Bro Ian Richards the Chairman. None of this success would be possible without your hard work and support, a massive big thank you for your commitment and motivation.

# We Need Your Help

The Pro Grand Master has asked the Province of Northamptonshire and Huntingdonshire, along with six other nearby Provinces, to support him in raising £700,000 towards a custom designed and built new **'Maggie's Centre'** at **Addenbrooke's Hospital in Cambridge**. Once raised, The Pro Grand Master will then approach the MCF to request matched funding.

The total cost of this venture will be in excess of £7 million of which £4 million has already been raised.

With over half of the population in the UK suffering from cancer at some point during their lifetime, cancer screening and treatment is more important than ever.

The Maggie's charity (Reg No. SC024414) - www.maggies.org - delivers expert psychological and practical support to cancer patients and their families, and is an important adjunct to the cancer diagnostics and treatment provided by the NHS. First opened in Edinburgh in 1996, there are now 24 Maggie's centres in the UK, including a centre in progress at Northampton General Hospital and one at an early stage in Peterborough.

Addenbrooke's Hospital in Cambridge is an internationally renowned teaching hospital and research hub. It is a centre of excellence for the treatment of cancer seeing 40,000 patients in medical oncology and 56,000 patients in clinical oncology every year. A percentage of the patients benefiting from the new Maggie's Cambridge centre will come from the Huntingdon area.

Maggie's Centres help patients to understand the complexities of both cancer diagnosis and treatment through a personalised evidence based program of support. This approach has been proven to enhance patients at all stages of treatment and care. The Maggie's Programme has been shown to improve understanding and mental health, reduces loneliness, supports return to work and eases the financial burden of cancer.

As a Province, we are pleased to play our part in supporting the Pro Grand Masters' fund raising campaign. The target is for each Lodge in the Province to raise and contribute £1,000 in support for the new Maggie's Cambridge project.

The campaign started on the **1st November 2024** and will end on the **30th October 2025**.

We thank you all for your support.

**Welcome to 2025 Brethren.** The New Year always brings new possibilities and opportunities for rejuvenation and reinvention - it looks like it's going to be a busy and exciting year.

We started with a buzz with the launch of a Province-wide digital marketing campaign running through January, aimed at a target external audience.
Initial interaction data is very encouraging with the campaign reaching an audience of over 25000 and 1000+ interactions.

These interactions relate to views of our website information page which provides more information and an enquiry form generating an enquiry to me which starts the online enquiry process to move potential candidates to Lodges through the Group Membership Officers.

The adoption of the Members' Pathway initiative - **Plan, Attract, Engage and Retrieve** – with the wonderful work of our Group and Lodge Membership Teams continues to positively impact our Membership Challenge.
Year on year data shows that

Provincial Membership increased again by 22 including 171 Initiations in the period moving ever closer to our Next Step 3000 target…

**Attraction** remains vital in introducing good new men to our organisation to share our fellowship and assist in our positive impact within our communities. We welcome onto the team
W.Bro Alex Thurlow as our uncollared Attraction Officer

**Events** - Alex will continue to manage and increase the effectiveness of the Discover Freemasonry events around the Province working with you to create some inspirational events supported by high quality digital marketing and branded marketing equipment which we continue to invest in to improve our visibility.

Communications – the highest quality communications are vital in our goal to attract and engage members – please work with your local Comms Officer to get images of your successful events to showcase on social media.

Likewise remember to showcase our 4 principles - Integrity – Friendship – Respect – Service - in all you do. We're always Freemasons whether it's at a Lodge meeting or in public – it's vital that we're all great ambassadors

I look forward to seeing news and posts of all your events this spring and summer – if you want any guidance speak to your Group Membership Officer or drop me a line – we're always happy to help. Booking an event is simple – log onto the website – click on the Membership tab and select Discover Freemasonry Events – use the calendar to select your date and then fill in the enquiry form with as much detail as possible and Alex Thurlow will be in touch with arrangements and guidance for support.

Brethren, Happy New year to you all. It is the nature of things that as we move into a new year, we look back on how we performed in the previous year. I am sorry to say that in 2024 we had approximately 144 resignations, this compares with 117 in 2023 so we can see that we have 27 more resignations in 2024 than 2023. The Graph below shows the losses, due to resignation, per month and cumulative for the last three years.

Whilst this is disappointing and clearly impacts the speed at which we will hit NEXT STEP 3000, it should be taken in the context of overall losses to the Province for 2024 being 211 as compared to 209 in 2023. The factors influencing this are reductions in deaths, exclusions and cessations.

This increase in resignations emphasises the importance and ongoing nature of the work of Lodge Mentors, at all stages of the Brother's Masonic Journey.
Brethren, in my last article in Password I gave the example of W Bro Roly Edwards and the work that he and the Membership Team have done at Euston Lodge. In this article I would like to draw your attention to two other Lodges and their Membership Teams which have taken a proactive approach to managing their memberships, in particular the Planning aspect of Mentoring.
Firstly, the work done W Bro Peter Wood the Lodge Mentor at Waynflete Lodge, W Bro Peter has been very proactive in his approach to Mentoring. He has set up various tools within the Lodge to assist with ensuring members are engaged in Freemasonry. Examples of the tools used are a "Traffic Light System" which is a communication tree and allocates communication responsibilities within groups of members. This allocates leadership and communications roles with the group and facilitates frequent and speedy communication; this is particularly useful during holiday and recess periods. W Bro Peter is also very proactive in engaging with newly initiated Brethren and has a structured questionnaire which he goes through with them. As

Brethren move through there Masonic Journey, they are asked to complete a Ritual Request, a proforma which breaks down the main elements of the Ritual and asks the brethren to indicate which parts they can do or would be happy to learn. This allows the Brother to progress in his Masonic Journey at a pace that suits him.

Of similar interest is the work done by W Bro Vincent Soanes and W Bro Cameron Bradbury the ADC at Eleanor Cross Lodge, in conjunctions with the Lodge Membership Team. For context Eleanor Cross has 37 members, 19 of which have not been through the chair and 10 of which have been initiated within the last two years and has two candidates in waiting. I have already mentioned the importance of managing expectations and planning for Lodge succession. W Bro Cameron has developed, a detailed succession plan which maps how these brethren will progress through the various offices in the Lodge, ultimately reaching the Chair and the expected year in which that will happen, provided of course that they do indeed want to attain the chair. Importantly this plan is not kept secret and is communicated with the Brethren.
I am sure that many Lodges have similar tools and plans in place and that is to be applauded. These tools are in alignment with the Members' Pathway, the framework developed by UGLE to assist Lodges in managing their membership. I encourage all Brethren who are interested in Mentoring or the whole Membership Challenge to speak to their Lodge Mentor who will be happy to assist, if he cannot answer the question then I would be happy to assist. For those who would like to see what material is available they can access it at the Membership page on the Provincial website which can be found here:

And Here:

You will need to log in or register to access the information.

Again, I would like to thank all the Lodge Mentors and indeed all those Brethren who have taken on the important role of Personal Mentor for your hard work and look forward to working with you all in 2025 to engage with our Brethren and reduce the losses due to Resignation. If we remember to keep our activities focussed on the member and managing his expectations we will be successful in our endeavours.

# Festival of Carols and Lessons at Peterborough Cathedral

The Provincial Grand Lodge hosted their annual Christmas Festival of Lessons & Carols at Peterborough Cathedral on Sunday 8th December 2024, which was enjoyed by all attending.

The evening was well supported by brethren, friends and family, with a number of local civic dignitaries also in attendance.

The reading of the Lessons was led by The Provincial Grand Master, RW Bro Mark Constant. The PGM was well supported by many heads of other Orders, together with Assistant Provincial Grand Masters Francis Margot and Dale Gilbert.

At the conclusion of the formal festivities, wine and mince pies provided by Brethren from around the Province were enjoyed by all.

All in all, a wonderful evening and a great start to Christmas.

# Provincial Community Engagement Team Draws Blood

The Province's Community Engagement Team has drawn blood from its early work.

Following on from the suggestion of Bro Matt Horton of Delapre Lodge in Northampton, the Northampton centre has agreed to become a donation point for the NHS Blood Service. The hope is that other centres in the Province may also have the opportunity to offer their premises to the NHS Blood Service to support them in their very important work.

All the finer details have been agreed, and the first donation date will be 18th June 2025 with a further booking in the calendar for 6th August 2025. It should be noted that this significant piece of engagement with our community would not have been possible without the hard work and persistence of Bro Matt and his engagement with the NHS Blood Service.

Naturally, further communication on how members can attend on these dates will be made available in due course.

The purpose of the Community Engagement team is to support the objective of cementing our reputation as a force for good in our communities and society at large, and as a thriving organisation that people as aspire to join.

Following on from the Third Pillar Review which was presented at the December Quarterly Communication, the Provincial team is hard at work on delivering this ambition within our Province, however, this will require the support of our members, our Lodges and our centres.

We would encourage you all to read the Third Pillar Review which can be found by scanning the QR code below.

# Multiple Initiations around the Province

**The Lodge of Prudence No.8946 held an emergency** meeting to perform a quintuple initiation on Saturday 30 November 2024. Although a Stamford based lodge, the ceremony was held at Rushden Masonic Centre. The Worshipful Master, W.Bro Cargin Moss MBE opened the Lodge and after a short pause, welcomed the Assistant Provincial Grand Master W.Bro Francis Margot accompanied by his DC W.Bro John Simpson. The Assistant Provincial Grand Master was also accompanied by VW.Bro Charles Bennett PDepProvGM and numerous Active Provincial Officers and two Stamford Group Officers.

**Ailwyn Lodge Christmas Present** WM Jason Cobb was highly delighted to introduce latest Initiates Bros Andrew Hamilton and Daniel Flack. Opening their eyes to the friendship and service at Ailwyn Lodge

**A Wide-angle lens** was order of the day at Huntingdon when Hinchingbrooke WM Albert Bareham, took wine with their two Initiates and seven other Entered Apprentices in November, under the watchful eye of Jason Ogden the PGM's Official Representative and Francis Margot APGM.

**There was a fantastic night at John Pyel's January Meeting.** Two new brothers were initiated in the first double ceremony the Lodge have carried out for many years. At the festive board was a Burns Night Supper with a freshly caught haggis! It was paraded around the lodge by the piper then the Address to the Haggis was performed by the Lodge's own Bro Marcus Hill . An excellent evening all round including our visitors from Rockingham Forest Lodge on their return visit.

# News from The Province

A Special Convocation of Provincial Grand Chapter was convened at Freemasons Hall, Northampton on Saturday 8th February 2025 in order to install Excellent Companion Mark Constant, PDepGSwdB as The Most Excellent Grand Superintendent (MEGS) In and Over The Royal Arch Province of Northamptonshire and Huntingdonshire.

The meeting was presided over by The Most Excellent Second Grand Principal Sir David Wootton in a wonderful ceremony, in front of a packed Chapter room and very happy Festive Board. (Cont p21).

W.Bro Tim Almond - DeputyPGM
RW.Bro Mark Constant - PGM / MEGS
Ex Comp David Burton - Deputy GS
W.Bro Dale Gilbert - APGM
Ex Comp Chris Mullen - 3rd Grand Principal

# The Installation of The Grand Superintendent

In his opening Address, Sir David said he had no doubt by installing our PGM also as MEGS and so create a 'Double Header', the Province would be in very safe hands to move forward towards One Journey and One Organisation. He also thanked retiring MEGS Jim Boughton for his excellent service and achievements during his 7 years in post.

A full report is available on the Provincial Website.

## Silver Matchbox's ignite interest in Lodge of Emulation

The Province has enjoyed further success at The Emulation Lodge of Improvement in London. W.Bro Billy Glover PProvGSwdB of Corbie Lodge No.9155 (above left) has been awarded with a 'second strike' Silver Matchbox award for a perfect 3rd degree ceremony and is now the holder of two 'strikes' following his initial success in the 1st degree in 2015. This follows W.Bro Eddie Storey being awarded in October 2024 with his own 'Silver Matchbox' (Right).

In addition, our Province's success has further continued with W.Bro Mark Titterton PPJGW, Group Officer in Kettering, having passed the test to be an approved Preceptor for an Emulation Lodge of Improvement on Friday 15th November 2024 (centre).

This opens up the possibility of setting up an Emulation Lodge of Improvement in our Province, which would be recognised by The Emulation Lodge in London and further details are likely to follow. The work has been in progress over a long period following W.Bro Billy setting up 'The Matchbox Anoraks' to learn and practice perfect Emulation ritual.

Mention must be made of W.Bros Allen Betts and Richard King who have played a significant role in assisting with the frequent practise sessions, helping Billy, Eddie and Mark in their advancement.

As a footnote, usually only one or two 'strikes' are awarded in a single year, so these achievements are special - Masonry is a progressive science - the journey continues!

## The Richard Sandbach Lodge of Research

The17th March meeting in Northampton will be the **Richard Sandbach Annual Lecture**, which is open to all masons. This year we welcome RW Bro. Steven Varley, the UGLE Assistant Grand Master, as our keynote speaker, who will lecture on the 'One Journey, One Organisation' strategy. The timing couldn't be better considering the recent bringing together of the Craft and Royal Arch leadership in our Province. Demand is expected to be high and we recommend an early booking on the Website for those wishing to attend.

## And the winning couple were....

Phillip and Katie Mason

## The Light Blues Communication

In a historic move, members of the Light Blues Clubs have been invited to a Light Blues Communication on the 31st May 2025, to demonstrate how they are supporting the pillars of UGLE's Strategy.

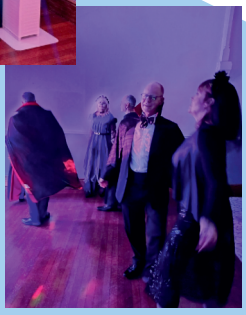

1,000 Entered Apprentices, Fellow Crafts, Master Masons and Past Masters who have not yet received a Metropolitan, Provincial or District rank will convene in the Grand Temple.

32 Light Blues from this Province, have been selected to support this momentous occasion.

This gathering represents a significant step towards engaging all levels of Freemasonry and ensuring that even those in the early stages of their Masonic journey are included in the organisation's future.

On Saturday the 19th of October 2024, we hosted the N&HNYMC 80's Halloween Party, at Stamford Masonic Hall.

All Tickets were Sold Out and we had a full Venue, Great Costumes, Live Band and DJ, which all made for an enjoyable evening.

**Project 2025 Update** – On the 6th of January, the contractor, Norths of Leicester took possession of the designated part of the complex, the lease is now in place, predominately they will be working during the day, so disruption will hopefully be minimal. Their works are due for completion by the 31st May, leaving two separate units in the building, with separate entrances, a dental surgery and "Freemasons Hall (Corby)".

The required internal works to the Freemasons Hall have been completed and a new bar will be operational from January 9th. For the remainder of the season changing will be in an area at the rear of the hall or for some larger events the anti-room will be used. There have been so many volunteers before, during and after the Christmas period who have brought their individual expertise, skills and brute strength who have completed the works. It just would not have happened without them, you know who you are THANK YOU.

**Information Screen** – The PGM and the Province have gifted an information screen to the centre, it has been set up, looks great and I recommend members make use of this of new facility.

**Next Steps for the Freemasons Hall (Corby)** – Following the Provincial Lecture competition meeting at the Richard Sandbach Lodge on the 20th January work has commenced on the reconfiguration of the toilet area to enable to mixed events to recommence.

**Opening Night - Break a Leg**
At the regular meeting of Corbie Lodge held on the 9th of January 2025, the WM Jack Summerfield opened "The Stage Bar" at the Corby Centre.

W.Bro Jack is no stranger to the stage, hacing performed many times as a pantomime dame in the annual Masonic Pantos. He is seen here along with a number of past cast members.

The bar is a major part of the Project 25 initiative.

**In March last year the wife** of W. Bro Dane Paul passed away having been diagnosed with an inoperable stomach cancer approximately eighteen months prior. Deborah's last weeks were spent in the care of the Thorpe Hall Hospice and such was the family's appreciation we decided to arrange fundraising events on behalf of the hospice.
One of the events was a charity evening in memory of Deborah. Peterborough & Counties Lodge, Thomas Deacon Lodge and Good Intent R.C. Chapter raised a petition to the Provincial Grand Charity to support the fundraising and a thoroughly successful event was held raising over £7.5k. The petition had proved successful resulting in the Provincial Grand Charity matching the funds pledged and raised on the night.

Two of Deborah's nieces had run the Great Eastern Run and another fundraising meant that in November Deborah's sister in law, Mrs Kay Perkins and W.Bro Dane presented a cheque for £20,164 to the Hospice, obviously they were delighted.

The family is wishes to thank all those masons that supported the family's fundraising and the Provincial Grand Charity for their contribution.

**Amongst the Festive Cheer,** Local Freemasons have organized a children's Christmas party for kids from the New Ark Play Association on Monday 16th December 2024.
The event was held at the Burghley Club in Peterborough and was attended by twenty-one children from New Ark. Transport was provided by Kings School Peterborough in their new minibus. Ten pupils from the Lower sixth at Kings helped organize and run games for the children and Father Christmas took time out from his busy schedule to give presents to all the children.
The Literacy Trust generously donated books and the children could pick a book to take home in addition to their presents from Santa.
W.Bro Steve Kendrick from Schola Regia Lodge said: "We have been organizing this event for a number of years now and it continues to prove very popular with local children. We are extremely grateful for the support of Kings School and the use of their minibus. We are also grateful to the Burghley Club for hosting the event for us again and for the Literacy Trust for their generous donation of books for the children."

GoCardless

**Fitzwilliam Lodge** has started to use GoCardless to set up simple Direct Debits for their members, allowing them to pay in installaments and upfront of a new season, with the view to cushion the costs of Lodge membership and aid retention. It has proved a great success, Fitzwilliam Treasurer, W.Bro Iain Griffin said: "Offering Brethren a way to pay in installments and in advance of their renewal date has helped enormously in allowing them to budget their membership costs." W.Bro Griffin has put together an easy to use 'How To' guide, and if any Lodge treasurer or secretary is interested in finding out more about using GoCardless, and also be sent a link to enrol if adopted, please email the secretary of Fitzwilliam Lodge - **L2533sec@gmail.com**

**Over 100 masons attended** the Lodge of St James No 6838 February meeting, "Pummie night", held in honour of the late W.Bro Pummie Matharu, whose idea it was to have such an evening encouraging visiting.

After having welcomed the Official Representative of the Provincial Grand Master, W.Bro Peter Whitworth, ProvGStB, the main business of the meeting was to Pass Bro Tanup Patel. The ritual was of the highest standard led by the Worshipful Master Tej Sehmi. Particular mention should be made of Bro Robert Brame, who as well as organising the festive board for over 100 as senior steward, delivered an excellent second degree tracing board. Also, there cannot be many Fellowcrafts who can say they received their explanation of the second degree working tools from a Past Provincial Grand Master, RW.Bro Max Bayes delivering the extended version in his usual impeccable manner.

The lodge voted to donate £1000 to the Maggies appeal and the charitable giving continued in the festive board, with the main raffle and a separate raffle for two bottles of chilli gin, raising a combined sum of over £1,300 to go to the Three Pillars charity.

The full story appears on the Provincial Website.

The Provincial Grand Master, RWBro Mark Constant, attended Ceres Lodge No 6977, to present W.Bro David Waddy with his diamond certificate, to mark his 60 years' service in the craft.

The meeting was the famous Old English Evening which Ceres Lodge held each January, with roast beef for the festive board.

WBro David Waddy was born on 1 January 1939 making him one of the "silent generation", the PGM explained. He was initiated into the Lodge on 1 December 1964, proposed by his father, who was a founder of Ceres Lodge and its third Master. He was passed in February 1965 and raised on 4 April 1965.

**The Northampton information evening** was held at Sheaf Close on Tuesday 28th February, and hosted by Anglo Scottish Lodge 8844, on their Burns night meeting.
APGMs WBro Dale Gilbert and W.Bro Francis Margôt PAGDC, were in attendance and PMO W.Bro Jonathan Hibbins led the Provincial Membership Team.
There were 80 Brethren present and 20 gentlemen guests.

After the Lodge was closed Gentlemen guests were invited into the Lodge room, W.Bro Hibbins gave an introduction and explained how the evening was to unfold.
W.Bro Gilbert then gave a brief talk on Freemasonry.

W.Bro Tim Mills, Bro Cristian Ceocoiu and Bro Gary Swailes gave very open honest and at times emotional talks on their personal journeys in Freemasonry.
The festive board continued the theme of the evening with guests, members and gentlemen enjoying informative talks and speeches.

The highlight of the festive board being W.Bro Alex Thompson addressing the haggis and reciting Tam O' Shanter.

A wonderful evening was had by all, Freemasonry at its very best.

**The Anglo Scottish Lodge Beer Festival** started in 2008 at St Georges Avenue, was probably as not as successful as first thought. However, over the years lots of real ale has been consumed and money was made for charity.

The Brethren of Anglo Scottish have worked incredibly hard over the years to make this event a success.

An unexpected offshoot occurred with the formation of a daughter Lodge for Anglo Scottish, Cervisia Lodge a special interest Lodge which ferments the joys of brewing, imbibing of beers, and mutual love of beer and freemasonry.

This year's festival was held on the 1st February - as always on a Six Nations Rugby weekend. With Beer Rugby and raising money for charity what's not to like.

**It was a fantastic night at John Pyel's January meeting.** Two new brothers were initiated in the first double ceremony the Lodge have carried out for many years. At the festive board was a Burns Night Supper with a freshly caught haggis! An excellent evening around including our visitors from Rockingham Forest Lodge on their return visit.

**Very successful Whytewell Lodge BBQ** held at Bro Stuart & Michelle Carlaw's house, attended by 71 brethren, wives, and friends to make a very enjoyable lunch and afternoon of fellowship. **The Annual Santa Fun Run 2024** held at Burghley House was partly sponsored by Stamford Freemasons. The event had been rescheduled from the previous week, having been postponed due to Storm Darragh. The Gazebo was visible on the finish line to the 1700 runners and their supporters.
One potential enquiry came from little Theo (pictured). He is a 3 year old autistic boy who wandered into the gazebo, helped himself to a mince pie and took a seat, to the bemused delight of all of us manning the gazebo.
It became quite evident that he was separated from his parents, and a PA announcement confirmed this. We enlisted the help of the organisers and quickly reunited Leo with his very grateful parents.

**The Stamford Masonic Centre are sponsoring Jo Timson** with her fundraising efforts by paying for a gait analysis for her, buying some Running Aftershock headphones and providing her with training tops.
Jo is in training for the London marathon next year to raise money for Macmillan support. She was moved to apply after the death of her beloved uncle to cancer, and then shortly after a cancer diagnosis for her mum too. Thankfully Macmillan have been a great support to Jo's mum.
Jo's ambition is truly inspiring as, despite having her own physical and mental battles, she has been able to help others where she struggled to help herself. Before she started training she got breathless just walking upstairs, but is now smashing out a 9 mile training run!

**Monday 16th December 2024** marked a special Christmas Meeting of the Lodge of Merit. Prior to opening the Lodge the WM welcomed our very own PGM RWBro. Mark Constant who was accompanied by the PGM of Lincolnshire, RWBro. David Wheeler. RW.Bro David is the newest member of The Lodge of Merit (though only for 45 minutes!) and has been made an Honorary Member of the Lodge. This is a tradition that goes back to 1918. At the Festive Board, the toast to the PGM was given by the WM. However, on this occasion our PGM gave the honour of replying to RW Bro. David Wheeler. RW Bro. David then presented a beautiful handmade gavel to the WM to mark the occasion. This gift was gratefully received and will hold a special place in commemorating the links between the two provinces.

**A fantastic day pre Christmas at the Stamford Masonic Centre** saw 80 people from the Stamford Foodbank and Pride of Stamford Litter Pickers given a Christmas meal on behalf of all Stamford Freemasons. The catering team led by Andy Binder was assisted by Stamford Freemasons and their families. In addition, a donation of food was also given to the food bank which weighed a massive 75kg. The food bank were extremely appreciative of Stamford Freemasons donations and said that "You've all made a lot of people very happy this Christmas".

# Palmer Court, Wellingborough, Masonic Housing Association

## A Palmer Christmas.

Residents celebrated their 'Christmas at Home' party which just happened to be the 40th Christmas since Palmer Court was opened by the Lord Burnham in 1984.

The afternoon consisted of a festive sing along with our recently appointed Scheme Manager, Chris Rayatt playing our new electronic organ.

The entertainment was followed by a full traditional Christmas dinner complete with all the trimmings, all funded by donations from local lodges and the Province of Northamptonshire & Huntingdonshire. Such donations enable the Masonic Housing Association to fund events such as these that local authority facilities seldom, if ever provide. These donations really do make a difference to the quality of our resident's lives.

On the 4th of December residents had a visit from our local PCSO who enjoyed a cup of coffee and advised our residents on staying safe when out and about.

November saw a bring and buy sale at the centre to raise funds for Cancer Research, which lots of bargains snapped up the residents raised a sum of £272.00
