**Last year marked the Tercentenary of Freemasonry or 300 years since the formation of the United Grand Lodge of England. Freemasonry encourages men of all ages over 21 years to join an organisation that has charitable intentions as its core aim.**

**Our 200,000 UK members come from all walks of life and meet as equals whatever their faith, ethnic group or position in society. For many, this spirit of fellowship is what is valued most, making new friends and helping others. Freemasons contribute over £33 million a year as one of the UK's largest charitable givers. Raising funds largely through voluntary donations, we support individual members, local communities and global emergencies.**

**Chicheley Lodge, which resides in Thrapston, has organised an "Open Evening" on Monday 15<sup>th</sup> October 7.00pm - 9.00pm at Thrapston Bowls Club, Market Road to provide the opportunity for men to discover more about Freemasonry, and how it could benefit them socially and how they could assist with charitable causes.**

**If you would like to know more and discuss any relevant issues with members of the Lodge, you are cordially invited to attend with partners, if applicable. You may also visit the Lodge website:**
